to participating athletes. This also includes preventative supplies like toothpaste, toothbrushes and fluoride varnish.

Fit 5 is a new program and fitness resource that provides tips and information for athletes, parents, coaches, partners and other supporters to lead a healthy lifestyle through physical activity, nutrition, and hydration.

Special Olympics Healthy Hearing

The Special Olympics Healthy Hearing program provides free ear and hearing screenings designed to ensure proper audio logical care for participating Special Olympics athletes. Led by volunteer professionals, Healthy Hearing provides adapted ear and hearing tests.

Special Olympics Special Smiles®

Special Smiles provides comprehensive oral health care information, including offering free dental screenings and instructions on correct brushing and flossing techniques to participating athletes. This also includes preventative supplies like toothpaste, toothbrushes and fluoride varnish.

Special Olympics Lions Clubs International Opening Eyes®

The Special Olympics-Lions Clubs International Opening Eyes program is a vision and eye health screening in partnership with the Lions Clubs International Foundation. Opening Eyes is able to offer prescription eyewear, sunglasses, and sports goggles to Special Olympics athletes.

Special Olympics Fit

Fit 5 is a new program and fitness resource that provides tips and information for athletes, parents, coaches, partners and other supporters to lead a healthy lifestyle through physical activity, nutrition, and hydration.
